REMARKS.

In submitting this our annual report we wish to refer to the cause of some of the expenses. The many disastrous fires which have occurred during the past year have not only created a large expense in the fire department, but have had a serious effect in other ways. When the steam mill was burned many who had been employed there left town with taxes unpaid. Others called on the overseers for aid. Owing to circumstances already referred to, we would recommend that the appropriations for the ensuing year be as low as consistent, and have made our warrant accordingly. The interest on our present indebtedness is no small item, and it is our belief that something should be raised each year for the purpose of reducing the public debt.

Respectfully submitted,

W. L. RIXFORD,
W. E. JOHNSON,
J. F. HOWARD,
Selectmen of Winchester.

REPORT OF
TRUSTEES OF PUBLIC LIBRARY
OF WINCHESTER.

The trustees of Winchester Public Library, in making this their ninth annual report to the town, desire to again remind the voters of the value of this institution. Every year adds to the appreciation in which it is held, and we trust the day will come ere long when every citizen of Winchester will be proud of the library and loyal to its best interests. The trustees have lately been presented with the portraits of the late Daniel T. and Sophronia S. Saben. During the year the trustees have been obliged to meet extraordinary expenses in connection with the library building. The chimneys, to which your attention was called at the last annual town meeting, have been repaired and the cap stones replaced, at a cost of \$68.50. Slate which were broken by bricks falling from the chimneys were replaced at a cost of \$3.50. In the early fall it was found that the furnace was so badly out of repair as to necessitate its being taken down, which, being done, it was discovered to be in such a disorganized condition as to be beyond restora-

tion, consequently the trustees were *obliged* to replace it with a new one at a cost of \$228.49, making a total outlay for extraordinary repairs and restorations of \$300.49.

All of which is respectfully submitted.
